

2010 Hunter Sight-In

Joe Keller

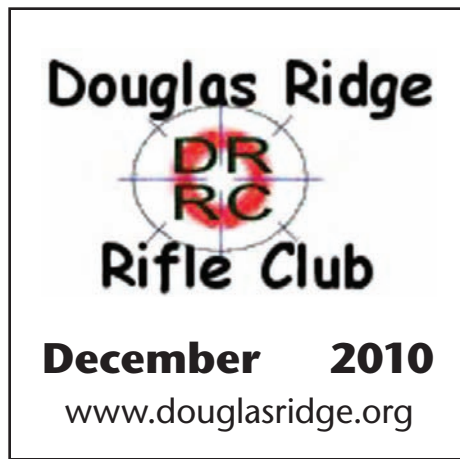

Hunter Sight-In Director Mark Edwards tells all his volunteers that he doesn't care if a single shot is fired, as long as the range is safe. Based on those criteria, the 2010 Hunter Sight-In was a success, because no one was injured, and a lot of shots were fired. Eight hundred and six guns were recorded as paid for sighting in over the four weekends, a modest increase over last year. Some members also took advantage of the opportunity and sighted in their guns as well. In addition, there were several shooters who expressed an interest in becoming members of DRRC, with 5 or 6 already signing up.

Of course, Mark had plenty of help in presenting this event to the shooting public. Mike Holder, who like Mark is trained as a chief range safety officer, served as Assistant Hunter Sight-In Director. Lee Wilson and Tom Barnes were there every weekend to run the bore sighting shack, helping shooters get their guns on paper, and solving many problems with scope mounts and other issues. Daniel Smith was an RSO for most of the shooting days; he also donated additional vests for coaches to wear. Terry Bennett came every weekend to help coach shooters, which is

way above and beyond his duties as our Range Host. Barbara and John Wildhaber spent many hours rounding up volunteers and providing work schedules. And Ron Carey made sure that new sand bags were available for all of the shooting stations. Plus Bob Vice and his crew were there for three weekends with the military rifles, raising money for junior programs. A total of 277 members signed in to help coach, check guns, or take tickets. Factoring in members who worked multiple times or didn't bother to fill out a work slip, this means approximately 33% of our members assisted for this event, putting in well over twenty-two hundred work hours.

Congratulations to Mark, Mike and all the Club members who helped put on another great event that showcased our beautiful range to the public, and helped a lot of hunters get ready for their seasons.

Gun Shows Support DRRC

Charlie McAlister

Collectors West and Wes Knodel Gun Shows both support DRRC by providing a free table at their guns shows for our use to promote our gun

club. They also provide two free vendor passes for members manning the table at the gun show. DRRC wants to thank both Wes Knodel Gun Shows (www.wesknodelgunshows.com) and Collectors West (www.collectorswest.com) for their generous support of DRRC. For those that may not know, there is no longer a Rose City Gun Shows. There are now two organizations that alternate every other month holding gun shows in Portland and other locations. So make sure and check both calendars on their websites for gun show dates and locations. Remember, DRRC members are needed to man the table at the Portland Expo gun shows and it does count toward your work hours. Call Dan Day at 503/695-2679 to help man a table. Be sure and take the time to thank both organizations for their support of Douglas Ridge Rifle Club.

Christmas Party

Nils Bittner

The Christmas party is Saturday, December 4th at 6:00 PM. We would like as many members and families to come out as possible. The club is going to furnish turkey, real mashed potatoes, gravy, dressing, and some really good ham. Along with food the club will also furnish plates, silverware, coffee, and soft drinks. We have some new chefs, so let's get a big turnout and eat up all the food they prepare. This is also a POT LUCK so bring your FAVORITE MAIN DISH, SALAD, OR DESSERT.

We also have some great prizes to give away. Such as \$300 in 10 various cash envelopes, (2) \$50 restaurant gift cards, ladies gifts,

and lots of gun stuff. We will also have a raffle for a Henry 22 Rifle, the one with the large loop like the Rifleman used, a Nikon spotting scope and a couple of other donated gifts. So free up your schedule and come to the party. The address is Mountain View Christian Church at 1890 SE Cleveland Ave. in Gresham.

Work Hours Revisited

Charlie McAlister

Remember, effective this membership year, all senior members must put in at least 8 hours of volunteer time. This is new so don't listen to those old tapes; make sure you get in your minimum work hours. There are several areas where ongoing help is needed and a few of you could get your work hours in and do it on your schedule.

- *Clubhouse Cobwebs and Dead Bugs* - We get plenty of cob webs and dead bugs. Those bugs like to get into and die in our light fixtures. Someone could easily get an hour a month on your schedule by keeping the cob webs gone and cleaning out the dead bugs from the meeting room light fixtures.
- *Clubhouse Display Cases* - There are several display cases full of trophies and displays that desperately need to be kept clean and organized. This would be a two man job as moving those heavy cases would take two guys. About three hours a quarter for two guys should take care of this one.
- *Clubhouse Storage Room* - We have a storage room (the door at the end of the hall by the restrooms) that tends to get cluttered and dirty. It would

be great if someone would be in charge of keeping that room clean and organized.

- *Ag Building Office* - There is a small office/stats area that is part of the Ag building. It gets dirty, full of cob webs, and cluttered. It would be great if someone could be responsible to keep that room clean and organized. One could easily get their 8 hours in by only putting in a few hours at a time over the course of a year, and on your own schedule.

Of course there is the regular Tuesday morning maintenance where Ron Carey can always use more help, our annual work day is in April if you just want to spend the day and get your hours in all at once, coaching at Hunter Sight-in, RSO-ing at events, or you can really step up and run for office and get your hours in by helping run things. You could also call Ron and say, "Hey dude, I want to help, are they any special projects you need help with?". Now don't all of you call Ron at once as we don't want to give him a heart attack. It would be great if we had enough money to just pay someone to do all the work, but alas we don't and as such rely on you, our members to get most of our work done. So step up and put in 8 or even more hours to help your club. Anyone interested in taking care of any of the above can call me at 503/351-8360. Thanks and happy shooting.
