

Annual Christmas Party

Don't forget! Saturday, December 5th at 6 pm is the annual DRRC Christmas Party. It is at Mountainview Christian Church, 1890 NE Cleveland, in Gresham. All members and families are invited; there is no charge. The Club will provide the turkey, ham, dressing, mashed potatoes and gravy, along with coffee, soda and water. Members should bring a main dish, salad or dessert to add to the potluck. Party Chair Nils Bittner has rounded up some great raffle items. The raffle proceeds support our junior shooters, so be prepared to buy plenty of tickets. And there will be the customary door prizes as well. Come join in for an evening of fun, food and fellowship.

Hunter Education Classes for 2016

Although the 2015 hunting season is just ending, it is not too soon to think about Hunter Education classes for 2016. Bill Hendrix and Bill Madden, our DRRC Hunter Education instructors, have scheduled Hunter Education classes in January, February and March at the Club. These are the conventional multi-day classroom sessions. In addition, there is a Master Hunter class in April, and the Field Day classes for those who use the home study program are set for June and August.

To register for a class, you must do it on-line at the Oregon Dept. of Fish and Wildlife website, www.dfw.state.or.us/education/hunter/. You cannot sign up for a class by calling the Club or the instructors. Search on the ODFW website under Clackamas County to find the

classes at DRRC. If the ODFW has not yet posted them, check back often so you can get into the class you desire. These classes are open to the public and when they are full the registration is closed.

For more information about the Hunter Education programs,

In Memoriam

Steve Preston, 51, was a 14 year member of DRRC. He was killed October 27th in an explosion while firing his M18 anti-tank vehicle at a gun range outside Bend. Steve was dedicated to historical military vehicle preservation, and had displayed his vehicle at DRRC recently. Condolences to his family and friends.

Richard Wanvig, 84, was a 17 year member of DRRC. He passed away at home on October 21st. Richard had been a teacher and administrator in the Boring school district, and then a contractor until his retirement. Condolences to his family and friends.

contact Bill Hendrix at 503/539-0289 or inspectorbill@msn.com.

Quigley Match 2015

Dave Kendall

Five of us from the DRRC Black Powder Cartridge Rifle discipline made our annual trek to Forsythe Montana for the Mathew Quigley Black Powder Match last June 20-21. Our "team" consisted of six shooters: Dave Kendall, Jim Kendall, Tad Kendall, Jack Regele, Steve Irving (all from DRRC), and Bob Powell from Alberta, Canada. Bob has been there every year for the past 5 or 6 years and likes our company so we always shoot together as a team.

For those who aren't familiar with the Quigley Match, it is 6 target stations at distances from 350 yards out to 805 yards. The match is 8 rounds fired at each of the six stations, no sighters, in any and all weather conditions. The real fun is waiting your turn to shoot since the average signup every year is 600+ shooters. 48 rounds are fired in total, scored by "hit or miss". Sound easy? You should know that if you manage to get 30 or more hits you are in the top 15% of all shooters! 40 hits and you are in the top 5%! This is no walk on the beach!!

The weather was good (for Montana), windy as usual but no thunderstorms or flash flooding on the range during competition. Nevertheless, our team members did not shoot their best scores this trip, but a great time was had by all. The top score for our six was turned in by Dave Kendall with 27/48, not quite up to his best score of 32/48 but still a good show. This year a first time shooter at this match scored

43/48. And the overall best score in the competition was 44/48.

If you would like to learn more about the Quigley Match or just try out the BPCR discipline here at DRRC contact Dave Kendall at dthegkendall@gmail.com.

Service Rifle Match

The Service Rifle Discipline has not had a match since August, but they will close out the 2015 year with their customary December match, shot under cover at the 100 Yard Range, on Saturday, December 12th. Discipline Director Todd Hanson has purchased two “new” M1 Garands from the Civilian Marksmanship Program, so there are plenty of Club M1s available for shooters to borrow for the competition. Ammunition is also available for purchase for new shooters. In addition, there are AR-15s available for junior shooters not ready for the Garand. Shooters may also use their own equipment, including any service correct rifle.

New shooters should sign up to attend the Service Rifle Clinic Friday night before the match. To sign up, use the link on the Service Rifle page of the Club web site. Registration for the match is at 8 am in the Clubhouse, with shooting beginning at 9 am.

These matches always have a good mix of experienced shooters and shooters new to competitions, and it is a great way to get a start in highpower competition.

Long Range Orientation

During New Member Orientation, we say, “you must be approved to shoot long range.” Highpower Director

Carl Haggland will conduct a long range orientation for any interested members on Tuesday, December 15th at 8:30 am. Since all ranges will be closed for maintenance, participants will be able to tour the upper and lower target pits, as well as get the information needed to participate in the Long Range Thursday shooting sessions. No pre-registration is needed, just show up.

If this opportunity does not fit with your schedule, please contact CRSO Mike Holder, and we’ll work out another opportunity for long range orientation.

Oregon Military Museum

Joe Keller

At the November General Meeting, representatives of the Oregon Military Museum made a presentation about the museum. David Warden and Louis Miller gave us a report on the museum, which is undergoing a \$14.6 million renovation. Located at Camp Withycombe in Clackamas, the museum currently houses over 14,000 artifacts and archives, dating back to the 1850s. Included are rare weapons, prisoner-of-war relics, tanks, and uniforms. Officially to be known as The Brigadier General James B. Thayer Oregon Military Museum, it will include a historic park, a tracks and treads vehicle display, and an honor garden outside. Inside, there will be the main exhibition hall, a weapons gallery, a library and archives room, and two changing exhibit halls. There will also be various artifact and weapons preservation rooms. The displays will honor all service

branches and will celebrate Oregon's military heritage from the beginnings in the Indian Wars, through the Spanish-American, World War I, World War II, Korea, Vietnam, up to the present day conflicts. The role of the Oregon Nation Guard highlighted, and our citizen soldiers will be honored for the sacrifices they made to defend our freedom.

Fundraising for the museum is being done by the Historical Outreach Foundation. There will be a Walk of Honor made up of memorial bricks. The memorial bricks are projected to be installed a year from now. Donations to have a brick in the Walk of Honor range from \$200 for a one line brick, \$225 for a two line brick, \$250 for a three line brick, to \$1,000 for a large

four line brick. Anyone wishing to purchase a brick can do so with a check payable to the Historical Outreach Foundation, P.O. Box 1822, Clackamas, OR 97015. Their phone number is 503/683-6161, and their web site is www.historicaloutreach.com.

It was suggested that Douglas Ridge may want to purchase a brick, to honor our members who served. Those wishing to contribute towards a DRRC purchase of a brick can send a donation to the Club, identified as a Military Museum donation, and we will bundle them together and donate them to the Walk of Honor project. Mail the donation, or drop it off in the lock box inside the Clubhouse next to the office door.

Volunteers needed to help at the NRA Membership booth during the NW Sportsman Show in February 2016. Volunteers are asked to commit to a 4 1/2 hr shift and in return your admission is covered and parking reimbursed. Show dates are February 10th thru 14th. For more information please contact Carl Hayes at 503-704-0377 or by email at crhayes66@gmail.com.
