

President's Report

Stan Pate, DRRC President

The weather is getting warmer and dryer in our area and many more of our members are starting to venture back to the range for some outdoor shooting fun. It has been good to see some of the members that I haven't seen since about late last fall. I believe that all of the disciplines have started up again for the new season and there are many new opportunities available.

Look for the week long range closure later this month due to working on the upper impact area on the known distance range. There are new number boards to be installed and dirt to be moved to both improve our upper pits safety and to advance the compliance with our new environmental stewardship program that we are working on. Sometime later we will be working on our lower impact area performing much the same job without moving the number boards.

For those of you that were at the last general membership meeting you had the chance to vote on the proposed bylaw changes and of course know what they were. Most of the changes were of the housekeeping variety and weren't of much concern to most members. A few of the changes drew much more in the way of discussion such as the proposed term limit change, which was the only change not to be voted in. Another item that drew some discussion was some changes reducing the time requirements for notification of special meetings, this did pass in the end.

We're still not finished with former member John Benjamin it would seem, he has now turned in DRRC to the EPA, DEQ, and the DSL. In addition to John Benjamin we appear to be facing another front from a member/s at DRRC who are attempting to cause damage from the inside. The board and officers are working with the club attorney to form our defense and would greatly appreciate your input whether at meetings or on the range. This is your club and now is the time to stay informed. I hope to see you on the range.

Elections Coming Up

Michael Jones

Board elections are coming up next month! We are still looking for people to run for Vice President, Treasurer and three Trustee positions. The election will be at the General Meeting on July 5th. We are looking for a few good men or women. Nominations (you can nominate yourself) can be made by contacting Dan Day, Nominating Committee, at 503/695-2679 or at gamshara@cascadeaccess.com

Thanks

Al Lisoski would like to thank all the people shooting at the 100/200 Yard Range on Mother's Day for their willingness to cease fire whenever he had to go down range to tend the burn pile. He said everyone was very cooperative and he really appreciated it.

Hunter Sight-In

Michael Jones

Believe it or not it will soon be time for Hunter Sight-In. We need volunteers to work as RSOs, ticket takers, gun checkers, boresighters, and coaches. We also need one or two people to help organize and learn the set-up process as I will be retiring soon. This year's dates are September 8th & 9th, 15th & 16th, 22nd & 23rd, and October 13th & 14th. No experience is necessary. Come on out, meet fellow club members, have some fun, and get your work hours in. For more information or to sign up contact John or Barbara Wildhaber at 503/558-0156 or Dan Wylie at 971/506-5840.

International Target Pullers

Charlie McAlister

If you haven't heard, DRRC is hosting an International F Class match in August. They will be shooting from 800 and 1,000 yards. This promises to be a great event that has already drawn contestants from Canada and Scotland with the expectation that Ireland will also be here. As with any great event it takes dedicated volunteers to make it happen. In support of our club and my friends I volunteered to run the pits for this match and now I need your help. We need folks that are willing to work as target pullers for this match. I already have some volunteers but we need more. It would be great to have enough target pullers so that no one would have to work all three days unless they wanted to.

The Match dates are August 8th – 11th with target pullers needed for the 9th – 11th. We will also have a required training session at the range for those who are helping. This is a very important match and can set the stage for DRRC to be name known around the world. Help us show what DRRC volunteers can do! We need helpers that are serious about making this a great event. If you are interested in helping, please call me at 503/351-8360 or shoot me an email at webmaster@douglasridge.org.

Help!

Beginning July 16 we will be closing the lower Ranges to move and reconstruct the 1000 Yard Range number boards. We will need a lot of help with this project, especially on July 18, 19, & 20. Please contact Ron Cary 503/880-3076 (c) or 503/668-4212 (office) to get on the work list.

Benchrest

Kent Uhl

With comfortable weather conditions on June 2nd, unlimited help from the contestants, and the highest number of participants in any of our matches to date; it is safe to say, we had another successful match! With the addition of four new target carriers this week, DRRC now has fifteen serviceable target carriers for the 200 yard line. Our goal is to ultimately have a line with twenty-five solid benches built to "national class standards" including 100 and 200 yard targets sets with moving backers.

This month we had the honor of having FOUR C.B.A. Benchrest National Record Holders present; Bob Springstend, Jess Miller, Stan Dziewiontkoski, and Virgil Edwards. Bob has the longest standing record of those present which dates back to September 12, 1998.

Congratulations to the June match class winners:

- Al Crowley 389-9x Open Class
- Art Hevy 273-0x Plain Base Bullet Class,
- Bill Anderson 390-1x Heavy Class.
- Jess Miller 344-0x Long Range Hand Gun Class
- Virgil Edwards 375-4x Production Class,

Bob Cruden had a personal best; he scored a perfect 50-2x on his third 100 yard target and finished second in Production class four points behind the class winner Virgil Edwards. In Heavy class Bill Anderson doped the wind and beat his closest competitor by 5 points on the first 200 yard target winning his class and the over all Grand Agg for the day. Art Hevy again won first place in his class. Congratulations gentleman!

As always, thank you to all who help make these matches possible, and a special thanks to the ones who have to drive as far... Together it is your continued support that make our matches at DRRC possible. Our match next month will be Saturday July 7, 2007. Till next match, Take care...

Marvin Booth Memorial Plaque

Charlie McAlister

As most of you know we recently lost our valued member and close friend Marvin Booth. Marvin was our CMP Director, a Board Member, and headed up the bore sight shack at our hunter sight in events. In honor of Marvin we have a memorial plaque that will be mounted on the Bore Sight Shack at

the 100-yard shooting line. Marvin's widow, Kathy Booth and immediate family have been invited for the official unveiling of the plaque and a short memorial to Marvin. This will take place on Thursday, July 5 at 6:45 PM just prior to our general meeting. All members are invited to come by and see the plaque and participate in the memorial.

Utah/Oregon Concealed Carry Permit Classes

Douglas Ridge member Roger Moore teaches a monthly class that qualifies you to get a CHL in Utah and Oregon. Classes meet the second Saturday of each month. The lecture is scheduled from 9 AM - 4 PM; the actual ending time is dependent on the number of students and the number of questions. Signing certificates and applications may take a bit longer. The class will be at the Comfort Suites Hotel at 15929 SE McKinley Avenue in Clackamas.

Cost and Registration Info:

Registration is required before attending a class. The cost of the class is \$70 per person if you pay ahead of time. For more information contact: Roger Moore, PO Box 2069, Estacada, OR 97023
rmoore@gunsmartfirearmtraining.com • 503-348-7354

Classes Coming Up

NRAFIRST Steps Pistol & Concealed Carry, July 1, \$50 + \$20

NRA Basic Instructor Training (BIT), July 7, \$45

(BIT must be taken before taking an Instructor class in a specific discipline)

For additional information or to register for any of these classes contact Michael Jones at jonesc@teleport.com or 503-314-6820.
