And Don't Forget...

Charlie McAlister, your humble VP

As the weather improves (don't laugh to loud you might wake up the dog) there will be a lot of activities going on at the club with plenty of opportunities for you to participate and help out. There are also plenty of opportunities to load up the ole' pickup and head out for a day of fun only to find out the range you wanted to use is overrun by a bunch of crazy folks having a blast... we call them matches or classes. The point is, check the calendar before you take the time and use the gas to drive out. No sense getting a rise out of the blood pressure if it can be avoided.

Hunting season is just around the corner and so are our hunter sightin days. If you want to help coach on one of those weekends don't sit around and wait for us to call and ask. Jump up and run to the phone (or just reach into your pocket for your cell phone) and call us. Call Barbara or Mark and get signed up for a day of fun helping others get on target. Their contact information is on our website and Mark's is also in this newsletter.

I'll bet you have already sent in your renewal payment but if not you might want to get that taken care of. It's bad enough to show up and find out your forgot to check the calendar and find you can't use the range you wanted to use, but to show up just to find your gate card does not work, yikes, that is a sure fire way to ruin your day. So if you, or that other person in the house that handles the money, lost your statement or even if the dog ate it, either call or email me and I will send vou another one. My number and email are in this newsletter and on the proverbial website. Renewal payments are due no later than at the July 7th membership meeting to ensure uninterrupted access to the club.

Oh yeah, as long as we are remembering things, remember there will be more of Joe Cook's

books for sale before the July 7th general meeting. They will be available for your perusal and purchase from 6 PM - 7 PM.

Speaking of the July meeting, don't forget to come out and vote. That's right, it is election time. So jump in the buggy and come on out for our very special annual meeting and elections. Heck, you can even vote for me if you like and get two more years of nagging and articles such as this in your favorite newsletter.

Ladies Pistol Class Reorganized

Charlie McAlister

Our ladies beginner pistol class continues to be so popular that classes are booked well into the future. In an effort to give more ladies a chance to participate and hopefully reduce waiting time a bit our three instructors and yours truly met to see what we could do. In the end the instructors agreed that they could offer the same quality of class over a 4 week session instead of the current 6 week session for this class. There will be slightly less conversation on topics not covered in the Basic Pistol class as well as slightly less live fire range time. This is still a high quality class and now we can offer it 5 times a year. While 2011 remains booked, there is plenty of room in our 2012 class schedule so get that special lady to go online at http://www.douglasridge.org/ ladies beg pistol.html and sign up right away.
