#### **President's Corner**

Chuck Adams, President

Work on the annual budget for 2012-2013 is well underway. The five member budget committee is led by Randy Flickinger – Treasurer. Any questions regarding the budget should be directed to treasurer Randy.

Election of Club Officers and Board of Directors members for the coming fiscal year will be at the membership meeting July 5. If you would like to be a part of the Board and interested in helping strengthen the programs and activities of DRRC please let one of the existing Board know of your interest. An interest in the club and a willingness to be a part of the planning and activities are the two major criteria.

A hearty "Thank You" to the 90+ workers who participated in the April work day event. It was a success and the weather was great. Thank you Ron and grounds crews. Gourmet hot dogs and hamburgers were served by our Master Chef Dan Sweet and crew. Thanks Dan.

Matt Meininger and Bob Stevens had a good report on the success of our Jr. Small Bore competitors at the National Qualifying matches for Jr. Olympics. Douglas Ridge was well represented by Ryan and Spencer Jacobs.

Ron Carey – Maintenance Chief – suggested that if you have unused hand tools – rakes, shovels, hoes, etc. and you plan to replace them with the latest, newest, and lightest on the market, he would like to have your old ones for DRRC work crews. Donations are a good thing.

If all goes as planned by the time you read this we should have had the planned visit by

folks from the DSL. The required survey of wetlands will have been completed and we will have a better idea of how to proceed on the road to re-establishing the shotgun range.

Finally, membership continues to be up about 6% compared to same time last year. From our summer membership survey on the website we learned you are one of our best sources for new members; thank you and keep up the good work.

## **Adult Small Bore**

Bob Stevens

The Douglas Ridge Adult Small Bore Team has finished up its season with flying colors! Friday night competitions were held from December through the first part of April against six other teams in the CWRL (Columbia Willamette Rifle League) the format being a double rotation of all the teams. The DRRC team is the largest in the league, consisting of 18 members, three that were new to the team. The season ended with an Award Banquet held at the Portlander Inn on April 21st where all the individual and team awards were presented by the Columbia Willamette Rifle League president (and DRRC member) Glen Miller. Some of the individual

honors that went to members of our team include, "1st Expert, Kneeling Position" to Tracy Keenan, "High Elder Aggregate" (over age 70) to Merv Bergstrom, "3rd Sharpshooter Aggregate and "2nd Sharpshooter Standing Position" to Spencer Jacobs", "1st Marksman Prone Position" to Don Byers, and 6th place overall to Bob Stevens. The team itself netted the 2nd place award in the "A" Division of the league.

Great excitement was generated during the later part of April as we followed our teammates Ryan and Spencer Jacobs as they competed in the Jr. Olympics held in Colorado Springs, Colorado. Spencer came home with a medal in each of the three events J3 (14 years old and under division) he competed in. Gold in the Men's Air Rifle, Gold in the Men's 50 Meter Three Position, and Silver for the Prone match. Elder brother Ryan, competing in the J1 (18-21 years old), though not in the running for a medal, shot his personal best during the first day of the Men's 50 meter 3P and endured a mechanical failure of the electronic scoring system on the second day. We are very proud to have young people of such great character and maturity as a part of our team!

The members of the team will continue to practice a bit during the summer. Look for the Adult Small Bore link in the DRRC website for contact information if you would like to check us out! We would love to have you join us!

# **Annual Work Day**

Ron Carey

Thank you, to everyone; the turnout was great! Not only did the fellow upstairs give us a beautiful day, but we also had a

huge turn out; about 93, I believe. There were 11 different projects going on and all crews did their jobs in a workman like manner.

We still have work left to do. Every Tuesday morning from 8 a.m. until noon we have a work day. Those of you who can, come on out and join us. There is a coffee break and sometimes goodies a member might bring. Even if you can only stay 1, 2, 3 or 4 hours any and all time counts towards your eight required hours and it would be a great help to our six to eight every Tuesday workers.

There are several projects coming up on which we will need carpenters, a licensed electrician and some extra helpers. Some of this work may be done on days other than a Tuesday morning.

The club can use some of the following items. If you have any item or find them at a garage or estate sale, can obtain them at a good price, and are sure the quality is good and they are not too spendy, buy them. If you want to donate such items to the club, that would be swell. If not, call me and I will get a reimbursement to you. Thanks.

Needed items are: round point shovels, flat shovels, garden rakes, leaf rakes, straight claw hammers, and gravel rakes.

Thank you, again for all your help on Work Day. It really was nice to see everyone. I hope you had a great day and were not too sore on Sunday. You folks did a fantastic job! Come on out when you can. Call me at 503/668-4212 or cell 503/880-3076.

### **Wonderful Donations**

Matt Meininger

As we all know, money does not grow on trees. We also all know shooting is an expensive hobby. For many, the costs outweigh the benefits. Fortunately, youths from all walks of life have a wonderful opportunity to take their first shots with our Junior Small Bore program free of charge. As its director, I have the pleasure on a weekly basis to see the enjoyment that can come from a junior's first shooting experience.

The Junior Small Bore program is made possible and successful by a number of people and organizations. These people and organizations include, The NRA Foundation, Leupold & Stevens, and several DRRC members.

The NRA Foundation awarded our Junior Small Bore program a grant of \$5,200. This was made possible by a grant application written by Desera Frentress, our current Junior Small Bore assistant director. These funds were used to purchase various

continued back page

Still, if you will not fight for the right when you can easily win without bloodshed; if you will not fight when your victory will be sure and not too costly; you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than live as slaves.—*Winston Churchill* 

"The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave."

Patrick Henry

PO Box 307 • Boring, OR 97009

pieces of equipment necessary to shoot small bore. Included in this purchase were two Anschutz 1903 rifles, sights, slings, kneeling rolls, palm rests, and shooting jackets. This new equipment allows juniors participating in our program to excel in ways that was otherwise prohibited by equipment limitations.

Another necessary piece of equipment to the sport is spotting scopes. Last year, Leupold provided three scopes to the club at a reasonable price. These scopes have been extensively used by several of our shooters. With all three scopes being fully utilized, I inquired about the possibility of purchasing three more scopes with next year's budget. After hearing we needed more, Leupold has contributed three more spotting scopes at no cost.

Several club members contribute to the program's success. It would not be possible for me to run the program by myself. Desera, her father John Frentress, and Roger Woods have all donated countless hours aiding the program. They are an asset to the club for their experience, knowledge, and effort. If you see any of them, please take the time to shake their hand and thank them for their service.

It is because of wonderful organizations such as The NRA Foundation, Leupold, and the members of DRRC that our program can be so successful.

If you have a junior that is interested in participating in the Junior Small Bore program, please view the webpage for details or for my contact information.
